INTERESTED IN

MAKING DIGITAL MOVIES

FOR FUN OR AS A CAREER?

All students will get Certificate of Completion for the program.

**Gain Hands-on
Experience With
Professional Equipment
And Techniques**

We invite you to a week of hard work and fun that will enable you to make your filmmaking aspirations a reality! SFI provides an intense and rewarding introduction to the ever-evolving world of digital filmmaking. Our exceptional teaching faculty and staff are very excited to see your creation!

Offered by Kutztown University of Pennsylvania's Department of Cinema, Television, and Media in cooperation with the Office of International Admissions and Services, this camp is exclusively tailored to India high school students.

Conveniently located 2 hours from New York City and 1.5 hours from Philadelphia, Kutztown University is one of 14 institutions in the Pennsylvania State System of Higher Education (PASSHE). KU has a reputation for training students for media-related internships and careers. Program quality has been recognized by awards from U.S. organizations including the National Academy of Television Arts and Sciences, the National Broadcasting Society and the Intercollegiate Broadcasting Society.

The SFI Camp Director and KU Professor, Jennifer Suwak, has worked in the film/video field since 1990. Her sculptures, animation, and documentary films have been shown in galleries and in film festivals internationally.

During the film institute you will...

- Be introduced to the theories and techniques of digital film-making
- Use a professional video camera and associated equipment
- Become a more effective storyteller using story boarding and shot lists
- Scout locations and prepare the film set
- Use professional film-editing software on state-of-the-art Mac computers
- Experience multiple film crew roles, including director
- See how a Live video production works on the state-of-the-art KU-TV mobile truck
- Interact with experts to learn more about careers in video and/or broadcast
- Complete two film projects for your portfolio
- Show your work during a film festival in our plush, cinema auditorium
- Receive certificates of completion and a camp T-shirt!

During your stay you will also...

- Experience student life on a campus that has won national awards for beauty
- Use our large, well-equipped Student Recreation Center (includes climbing wall)

- Visit our Planetarium and Pennsylvania German Cultural Heritage Center

- Eat and shop at the Philadelphia Premium Outlets then tour Philadelphia
